All materials and information provided herein are intended for educational purposes only and should not be interpreted as investment, legal, or financial advice. Information contained in this presentation is taken from sources believed to be accurate at the time of publication but is subject to change without notice or warning. Nothing contained herein is an offer or recommendation to purchase a security or should be construed as financial advice. All private market investments carry certain risks that must be evaluated by investors in conjunction with their tax, legal, and financial advisors. Private market investments are often limited to investors that meet the SEC's definition of Accredited Investors or Qualified Purchasers. Prospective investors should review these definitions to ensure that they meet the applicable thresholds for the investment they are considering.

All materials and information received or derived from Granite Harbor Advisors, Inc. or Granite Harbor Capital, LLC, their directors, officers, agents, advisors, affiliates and /or any third party sources are provided without representation or warranty as to completeness, veracity, or accuracy, condition of the property, compliance or lack of compliance with applicable governmental requirements, developability or suitability, financial performance of the property, projected financial performance of the property for any party's intended use or any and all other matters. All information, while obtained from sources deemed reliable, is not in any way warranted by the Principals, or any of their respective affiliates. Principals do not guarantee any projected returns and assume no responsibility for errors or omissions. It is recommended that a prospective investor seek qualified advice from an attorney, accountant or financial advisor prior to any investment. Any descriptions of business strategies, projected performance, investment strategies, transaction terms or agreements in this document are summaries. This document includes forward-looking statements intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally can be identified by phrases such as "believes," "expects," "anticipates," "foresees," or "estimates," or other words or phrases of similar import. Similarly, statements herein that describe Granite Harbor Advisors, Inc. or Granite Harbor Capital, LLC business strategy, outlook, objectives, plans, intentions or goals also are forward-looking statements. Statements in this document that are forward-looking and involve numerous risks and uncertainties that could cause actual results to differ materially from expected results are based on current beliefs and assumptions regarding a large number of factors affecting a potential investment. Actual results may differ materially from expected results. There can be no assurance that (a) all of the factors affecting an investment or the extent of their likely impact have been correctly measured or identified, (b) the publicly available information with respect to these factors on which the analysis is based is complete or accurate, (c) the analysis is correct or (d) the strategy, which is based in part on this analysis, will be successful.

Granite Harbor Capital has developed and follows a core process for sourcing, underwriting, performing due diligence, and closing on alternative private investments with third party sponsors and the underlying investment opportunities. Through this process, Granite Harbor Capital arrives at hypothetical investment performance estimations for investor presentation, which are subject to a number of assumptions, variables, market conditions, and other unpredictable or unidentified risks. Please refer to the provided calculations and risk disclosures when considering an investment opportunity.
