Firm Contact:
Nicholas Brown
Chief Compliance Officer

This brochure provides information about the qualifications and business practices of Granite Harbor Advisors, Inc. If you have any questions about the contents of this brochure, please contact us by telephone at (832) 461-0789 or email at info@graniteharbor.com. The information in this brochure has not been approved or verified by the United States Securities and Exchange Commission or by any State Securities Authority.

Additional information about Granite Harbor Advisors, Inc. also is available on the SEC's website at www.adviserinfo.sec.gov by searching CRD# 179523.

Please note that the use of the term "registered investment adviser" and description of Granite Harbor Advisors, Inc. and/or our associates as "registered" does not imply a certain level of skill or training. You are encouraged to review this Brochure and Brochure Supplements for our firm's associates who advise you for more information on the qualifications of our firm and our employees.

Item 2: Material Changes

Granite Harbor Advisors, Inc. (GHA) is required to advise you of any material changes to the Firm Brochure ("Brochure") from our last annual update.

Since our last Annual Amendment filing, our firm has the following material changes to disclose:

- We have added the ability to compensate solicitors for the referral of clients to our firm.
- We have added risk disclosure language pertaining to our use of margin and options in client portfolios.
- We have added Charles Schwab & Co. Inc. disclosure language pertaining to our use of Schwab as a recommended custodian in addition to TD Ameritrade.

Item 4: Advisory Business

We are dedicated to providing individuals and other types of clients with a wide array of investment advisory services. Our firm is a corporation formed in the State of Texas. Our firm has been in business as an independent investment adviser since May 2015 and is owned by Brian W. Sak, Timothy B. Smith and Nicholas M. Brown.

Description of the Types of Advisory Services We Offer

Financial Planning & Consulting:

We provide a variety of financial planning and consulting services to individuals, families and other clients regarding the management of their financial resources based upon an analysis of the client's current situation, goals, and objectives. Generally, such financial planning services will involve preparing a financial plan or rendering a financial consultation for clients based on the client's financial goals and objectives. This planning or consulting may encompass one or more of the following areas: Investment Planning, Retirement Planning, Estate Planning, Charitable Planning, Education Planning, Corporate and Personal Tax Planning, Cost Segregation Study, Corporate Structure, Real Estate Analysis, Mortgage/Debt Analysis, Insurance Analysis, Lines of Credit Evaluation, Business and Personal Financial Planning.

Our written financial plans or financial consultations rendered to clients usually include general recommendations for a course of activity or specific actions to be taken by the clients. For example, recommendations may be made that the clients begin or revise investment programs, create or revise wills or trusts, obtain or revise insurance coverage, commence or alter retirement savings, or establish education or charitable giving programs. It should also be noted that we refer clients to an accountant, attorney or other specialist, as necessary for non-advisory related services. For written financial planning engagements, we provide our clients with a written summary of their financial situation, observations, and recommendations. For financial consulting engagements, we usually do not provide our clients with a written summary of our observations and recommendations as the process is less formal than our planning service. Plans or consultations are typically completed within six (6) months of the client signing a contract with us, assuming that all the information and documents we request from the client are provided to us promptly. Implementation of the recommendations will be at the discretion of the client.

Retirement Plan Consulting:

We provide Retirement Plan Consulting services to employer plan sponsors on a one-time or ongoing basis. Generally, such Retirement Plan Consulting services consist of assisting employer plan sponsors in establishing, monitoring and reviewing their company's participant-directed retirement plan. As the needs of the plan sponsor dictate, areas of advising could include: development of an investment policy statement, investment management, selection of qualified default investment alternatives, and plan participant education.

All Retirement Plan Consulting services shall be in compliance with the applicable state law(s) regulating Retirement Plans. This applies to client accounts that are pension or other employee benefit plans ("Plan") governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). If the client accounts are part of a Plan, and we accept appointments to provide our services to such accounts, we acknowledge that we are a fiduciary within the meaning of Section

3(21) of ERISA (but only with respect to the provision of services described in section 1 of the Retirement Plan Consulting Agreement).

Tax Preparation:

We contract with outside CPA firms to provide tax preparation services to our clients with such needs. We perform data gathering as well as initial and ongoing due diligence on the chosen provider and the services they provide to ensure they meet each individual client's needs. Clients are under no obligation to use these providers based upon their engagement of our firm for any other purpose.

Tailoring of Advisory Services

We offer individualized investment advice to clients utilizing our Asset Management service. Additionally, we offer general investment advice to clients utilizing our Financial Planning & Consulting and Retirement Plan Consulting services.

Each client has the opportunity to place reasonable restrictions on the types of investments to be held in the portfolio. Restrictions on investments in certain securities or types of securities may not be possible due to the level of difficulty this would entail in managing the account. Restrictions would be limited to our Asset Management and Retirement Plan Consulting services.

Participation in Wrap Fee Programs

We only offer Asset Management services through our wrap fee programs as further described in Part 2A, Appendix 1 (the "Wrap Fee Program Brochure") of our Brochure. Our accounts are managed on an individualized basis according to the client's investment objectives, financial goals, risk tolerance, etc. As further described in our Wrap Fee Program Brochure, we receive a portion of the wrap fee for our services.

Regulatory Assets Under Management

As of December 31, 2021, our firm manages \$336,885,766 on a discretionary basis and \$2,369,077 on a non-discretionary basis.

Item 5: Fees & Compensation

How We Are Compensated for Our Advisory Services

Financial Planning & Consulting:

We charge on an hourly or flat fee basis for financial planning and consulting services. The total estimated fee, as well as the ultimate fee that we charge you, is based on the scope and complexity of our engagement with you. Our maximum hourly fee is \$500 and our maximum flat fee is \$50,000. Financial Planning & Consulting fees will be waived for households that have assets under management with our firm in excess of \$1,500,000.

The client has the option of having the financial planning and consulting fee deducted from their managed account or be billed directly. If the client elects to have the fee billed directly, the fee will be due to us within thirty (30) days of your financial plan being delivered or consultation being rendered

to you. In all cases, we will not require a retainer exceeding \$500 when services cannot be rendered within 6 (six) months. If at any point the client is not satisfied with the service, our firm will issue a full refund of the fees received.

Retirement Plan Consulting:

Our maximum fee for our Retirement Plan Consulting service is 1.00% of the assets under advisement. We may also charge on an hourly basis for one-time consulting services. The total estimated fee, as well as the ultimate fee that we charge you, is based on the scope and complexity of our engagement with you.

Our firm's annualized fees are generally billed on a pro-rata basis monthly or quarterly in arrears based on an average daily balance of the account(s) value during the billing period. Hourly engagements will be billed directly.

Due to limitations at certain custodial platforms, we may bill based upon the account balance as of the final day of the previous billing period. The specific fee-paying arrangements for Retirement Plan Consulting service will be determined on a case-by-case basis and will be detailed in the signed Retirement Plan Consulting Agreement.

Tax Preparation:

The fees for our data gathering and due diligence services will be in addition to the fees charged by the chosen provider. The total fee to be charged for both GHA and the chosen provider's services shall be spelled out in an advisory agreement between client and GHA. Client will be charged a single fee with GHA remitting payment to the chosen provider for their portion of services rendered.

Other Types of Fees & Expenses

Wrap fee clients will receive our Form ADV, Part 2A, Appendix 1 (the "Wrap Fee Program Brochure"). Wrap fee clients will not incur transaction costs for trades. More information about this is disclosed in our separate Wrap Fee Program Brochure.

Termination & Refunds

We charge our advisory fees quarterly or monthly in arrears. If you wish to terminate our services, you need to contact us in writing and state that you wish to cancel the advisory agreement. Upon receipt of your letter of termination, we will proceed to close out your account and charge you a pro-rata advisory fee(s) for services rendered up to the point of termination.

Commissionable Securities Sales

Our firm and representatives do not sell securities for a commission in advisory accounts.

Item 6: Performance-Based Fees & Side-By-Side Management

We do not accept performance-based fees.

Item 7: Types of Clients & Account Requirements

Our firm works with the following types of clients:

- Individuals and High Net Worth Individuals;
- Trusts, Estates or Charitable Organizations;
- Corporations, Limited Liability Companies and/or Other Business Types.

We require a minimum household balance of \$100,000 for our Asset Management service. This minimum account balance requirement may be negotiable and would be required throughout the course of the client's relationship with our firm.

Item 8: Methods of Analysis, Investment Strategies & Risk of Loss

Representatives of our firm are generally given full discretion to manage client assets based upon information obtained from the client, including without limitation, a client's current financial status, investment objectives/goals, and risk tolerances. Our representatives will accordingly make recommendations based upon the information provided and may allocate a client's portfolio into any range of various investment products, such as mutual funds, stocks, bonds, exchange traded funds (ETF's) and others that are suitable based upon a client's individual needs. Representatives of our firm are charged with continuous monitoring of client portfolios to respond to a change in a client's investment objectives, risk tolerances or financial condition that may warrant a change in the strategy employed or recommendations made. Likewise, client accounts are periodically reviewed by our firm to ensure consistency of program strategies and performance with clients' stated objectives.

Our representatives may use several sources to gather information including by not limited to Financial Newspapers and Magazines, Research Materials prepared by others, Corporate rating services, Timing services, Annual reports, prospectuses, filings with the SEC, Company press releases and other materials providing investment related information.

Our firm will make long term purchases (securities held at least a year), short term purchases (securities sold within a year), trading (securities sold within 30 days). Generally there is more risk involved with shorter trading.

Strategies employed by our firm may include, but are not limited to: Conservative, Income, Growth & Income, Growth, and Aggressive. Investing in securities involves risk of loss that clients should be prepared to bear. Our firm does not represent or guarantee that its services and recommendations can or will predict future results, successfully identify market tops or bottoms, or insulate clients from losses due to market corrections or declines. Equity based mutual funds are subject to risks similar to those of stocks, including market risk, which is the risk that investment returns will fluctuate and are subject to market volatility, so that an investor's shares, when redeemed or sold, may be worth more or less than their original cost. International mutual funds are subject to fluctuations due to changes in a currency's exchange rate and political risk. Fixed-income mutual funds (bond funds) fluctuate with the bond market.

Fixed income risks include credit risk (the risk that a company or bond issuer may fail to pay principal and interest payments in a timely manner); interest rate risk (the risk that the market value of the bonds will go down when interest rates go up); and prepayment risk (the risk that a bond will be paid

off early). Our firm cannot offer any guarantees or promises that a client's financial goals and objectives will be met. Past performance is in no way an indication of future performance.

Options: An option is a financial derivative that represents a contract sold by one party (the option writer) to another party (the option holder, or option buyer). The contract offers the buyer the right, but not the obligation, to buy or sell a security or other financial asset at an agreed-upon price (the strike price) during a certain period of time or on a specific date (exercise date). Options are extremely versatile securities. Traders use options to speculate, which is a relatively risky practice, while hedgers use options to reduce the risk of holding an asset. In terms of speculation, option buyers and writers have conflicting views regarding the outlook on the performance of a:

- *Call Option:* Call options give the option to buy at certain price, so the buyer would want the stock to go up. Conversely, the option writer needs to provide the underlying shares in the event that the stock's market price exceeds the strike due to the contractual obligation. An option writer who sells a call option believes that the underlying stock's price will drop relative to the option's strike price during the life of the option, as that is how he will reap maximum profit. This is exactly the opposite outlook of the option buyer. The buyer believes that the underlying stock will rise; if this happens, the buyer will be able to acquire the stock for a lower price and then sell it for a profit. However, if the underlying stock does not close above the strike price on the expiration date, the option buyer would lose the premium paid for the call option.
- *Put Option:* Put options give the option to sell at a certain price, so the buyer would want the stock to go down. The opposite is true for put option writers. For example, a put option buyer is bearish on the underlying stock and believes its market price will fall below the specified strike price on or before a specified date. On the other hand, an option writer who sells a put option believes the underlying stock's price will increase about a specified price on or before the expiration date. If the underlying stock's price closes above the specified strike price on the expiration date, the put option writer's maximum profit is achieved. Conversely, a put option holder would only benefit from a fall in the underlying stock's price below the strike price. If the underlying stock's price falls below the strike price, the put option writer is obligated to purchase shares of the underlying stock at the strike price.

The potential risks associated with these transactions are that (1) all options expire. The closer the option gets to expiration, the quicker the premium in the option deteriorates; and (2) Prices can move very quickly. Depending on factors such as time until expiration and the relationship of the stock price to the option's strike price, small movements in a stock can translate into big movements in the underlying options.

Margin Loans: Our firm may allow or recommend that you to pledge securities from your portfolio as collateral for a loan by using margin in brokerage account. This allows you to own more stock than you would be able to with your available cash. Margin accounts and transactions are risky and not necessarily appropriate for every client.

The potential risks associated with these transactions are (1) You can lose more funds than are deposited into the margin account; (2) the forced sale of securities or other assets in your account; (3) the sale of securities or other assets without contacting you; (4) you may not be entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call; and (5) custodians charge interest on margin balances which will reduce your returns over time.

Item 9: Disciplinary Information

In December 2013, Brian Sak entered into an Acceptance, Waiver, and Consent with the Financial Industry Regulatory Authority for not disclosing an outside business activity to AXA Advisors, LLC, Sak's employing firm at the time of the disclosure. Without admitting or denying the findings, Sak consented to the described sanction and to the entry of findings. Therefore, he was fined \$5,000 and was suspended from association with any FINRA Member in any capacity for 30 days. The suspension was in effect from January 6, 2014 through February 4, 2014.

Item 10: Other Financial Industry Activities & Affiliations

Representatives of our firm are licensed insurance agents/brokers. They may offer products and receive normal and customary commissions as a result of these transactions. A conflict of interest may arise as these commissionable insurance sales may create an incentive to recommend products based on the compensation they may earn. To mitigate this potential conflict of interest, our firm's representatives will adhere to our firm's Code of Ethics and only offer suitable products that are in the best interests of the client. Additionally, clients are free to purchase insurance products from any insurance company and are not obligated to purchase these products through our firm's representatives.

Our firm also has an affiliation with Granite Harbor Group ("GHG") via ownership interests of some of our management personnel. While our representatives may offer these insurance services to clients of our firm, those clients are not obligated to purchase such products through our affiliated firm and are free to purchase these products from any insurance company. GHG receives financial incentives from Clarity 2 Prosperity "C2P", an annuity distribution network. These incentives reimburse outside vendors for marketing efforts, from which Granite Harbor Advisors may also benefit. These incentives are directly tied to GHG's use of C2P's distribution network, but are not contingent upon any future business to be directed to their network. Incentives from C2P are not reimbursable to GHA or GHG for cash consideration and are only directly paid to outside vendors. Nonetheless, it creates a conflict of interest that may incentivize GHG to utilize their network or products available through their network. Our firm will adhere to our fiduciary duty to act in our client's best interest when selecting what products to use for advisory clients.

As mentioned in Item 4 above, our firm has a relationship with SEI Investments Company ("SEI"), where SEI will provide our firm various programs for management of client assets. As part of this process, we will provide initial due diligence on the programs available, gather information from clients about their financial situation, investment objectives, and restrictions, and deliver the required account paperwork and disclosure documents if the client selects a program. Prior to referring clients to SEI, we will ensure that they are licensed or notice filed with the respective authorities. Fees for sub-advisory services rendered to our clients by SEI are billed on a pro-rata basis quarterly in arrears based on the average daily balance of the account(s) value during the billing period. Our firm calculates the quarterly fee due to us and instructs SEI the amount to deduct from your managed account. Our fee will be in addition to fees that are imposed by SEI for programs and managers they make available, which they deduct separately. SEI establishes and maintains their own separate billing processes, which we have no control of. The advisory fee paid by the client shall not exceed the fee published for this service in item 5. The terms and conditions under which the client shall engage SEI will be set forth in a separate agreement between the client and SEI.

Item 11: Code of Ethics, Participation or Interest in Client Transactions & Personal Trading

An investment adviser is considered a fiduciary and our firm has a fiduciary duty to all clients. As a fiduciary, it is an investment adviser's responsibility to provide fair and full disclosure of all material facts and to act solely in the best interest of each of our clients at all times. Our fiduciary duty is considered the core underlying principle for our Code of Ethics which also includes Insider Trading and Personal Securities Transactions Policies and Procedures. If a client or a potential client wishes to review our Code of Ethics in its entirety, a copy will be provided upon request.

We recognize that the personal investment transactions of members and employees of our firm demand the application of a high Code of Ethics and require that all such transactions be carried out in a way that does not endanger the interest of any client. At the same time, we believe that if investment goals are similar for clients and for members and employees of our firm, it is logical and even desirable that there be common ownership of some securities.

Therefore, in order to prevent conflicts of interest, we have in place a set of procedures (including a pre-clearing procedure) with respect to transactions effected by our members, officers and employees for their personal accounts¹. In order to monitor compliance with our personal trading policy, we have a quarterly securities transaction reporting system for all of our associates. Upon employment or affiliation and at least annually thereafter, all supervised persons will sign an acknowledgement that they have read, understand, and agree to comply with our Code of Ethics.

Neither our firm nor a related person recommends to clients, or buys or sells for client accounts, securities in which our firm or a related person has a material financial interest. Related persons of our firm may buy or sell securities and other investments that are also recommended to clients. In order to minimize this conflict of interest, our related persons will place client interests ahead of their own interests and adhere to our firm's Code of Ethics. Further, our related persons will refrain from buying or selling the same securities prior to buying or selling for our clients in the same day. If related persons' accounts are included in a block trade, our related persons' accounts will be traded in the same manner every time.

Our firm and supervised persons must conduct business in an honest, ethical, and fair manner and avoid all circumstances that might negatively affect or appear to affect our duty of complete loyalty to all clients. This disclosure is provided to give all clients a summary of our Code of Ethics.

Item 12: Brokerage Practices

Selecting a Brokerage Firm

We seek to recommend a custodian/broker who will hold your assets and execute transactions on terms that are overall most advantageous when compared to other available providers and their services. We consider a wide range of factors, including, among others, these:

¹ For purposes of the policy, our associate's personal account generally includes any account (a) in the name of our associate, his/her spouse, his/her minor children or other dependents residing in the same household, (b) for which our associate is a trustee or executor, or (c) which our associate controls, including our client accounts which our associate controls and/or a member of his/her household has a direct or indirect beneficial interest in.

- Timeliness of execution
- Timeliness and accuracy of trade confirmations
- Research services provided
- Ability to provide investment ideas
- Execution facilitation services provided
- Record keeping services provided
- Custody services provided
- Frequency and correction of trading errors
- Ability to access a variety of market venues
- Expertise as it relates to specific securities
- Financial condition
- Business reputation
- Quality of services

With this in consideration, our firm participates in the TD Ameritrade Institutional program. TD Ameritrade Institutional is a division of TD Ameritrade, Inc. (“TD Ameritrade”) member FINRA/SIPC. In addition, our firm also has an arrangement with Charles Schwab & Co. Inc. (“Schwab”). Both Schwab and TD Ameritrade (herein known as “our custodians”) are qualified custodians from whom our firm is also independently owned and operated. Our custodians offer services to independent investment advisers which includes custody of securities, trade execution, clearance and settlement of transactions. Our custodians enable us to obtain many no-load mutual funds without transaction charges and other no-load funds at nominal transaction charges. Our custodians do not charge client accounts separately for custodial services. Client accounts will be charged transaction fees, commissions or other fees on trades that are executed or settle into the client’s custodial account. Transaction fees may be charged based on a percentage of the dollar amount of assets in the account(s) or via individual transaction charges. These fees are negotiated with our custodians and are generally discounted from customary retail commission rates. This benefits clients because the overall fee paid is often lower than would be otherwise.

Our custodians may make certain research and brokerage services available at no additional cost to our firm all of which qualify for the safe harbor exemption defined in Section 28(e) of the Securities Exchange Act of 1934. These services may be directly from independent research companies, as selected by our firm (within specific parameters). Research products and services provided by our custodians may include research reports on recommendations or other information about, particular companies or industries; economic surveys, data and analyses; financial publications; portfolio evaluation services; financial database software and services; computerized news and pricing services; quotation equipment for use in running software used in investment decision-making; and other products or services that provide lawful and appropriate assistance by our custodians to our firm in the performance of our investment decision-making responsibilities.

Our custodians do not make client brokerage commissions generated by client transactions available for our firm’s use. The aforementioned research and brokerage services are used by our firm to manage accounts for which our firm has investment discretion. Without this arrangement, our firm might be compelled to purchase the same or similar services at our own expense.

As part of our fiduciary duty to our clients, our firm will endeavor at all times to put the interests of our clients first. Clients should be aware, however, that the receipt of economic benefits by our firm or our related persons creates a potential conflict of interest and may indirectly influence our firm’s choice of our custodians as a custodial recommendation. Our firm examined this potential conflict of

interest when our firm chose to recommend our custodians and have determined that the recommendation is in the best interest of our firm's clients and satisfies our fiduciary obligations, including our duty to seek best execution.

Our non-wrap fee clients may pay a transaction fee or commission to our custodians that is higher than another qualified broker dealer might charge to effect the same transaction where our firm determines in good faith that the commission is reasonable in relation to the value of the brokerage and research services provided to the client as a whole.

In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer's services, including the value of research provided, execution capability, commission rates, and responsiveness. Although our firm will seek competitive rates, to the benefit of all clients, our firm may not necessarily obtain the lowest possible commission rates for specific client account transactions.

Soft Dollars

Our firm does not receive soft dollars in excess of what is allowed by Section 28(e) of the Securities Exchange Act of 1934. The safe harbor research products and services obtained by our firm will generally be used to service all of our clients but not necessarily all at any one particular time. TD Ameritrade pays for clients' subscriptions fees to Orion Advisors Services, our firm's performance reporting software, for the first 12 months of the subscription.

Client Brokerage Commissions

We do not use client brokerage commissions to obtain research or other products or services. The aforementioned research and brokerage services are used by our firm to manage accounts for which we have investment discretion. Without this arrangement, our firm might be compelled to purchase the same or similar services at our own expense.

Procedures to Direct Client Transactions in Return for Soft Dollars

We do not direct client transactions to a particular broker-dealer in return for soft dollar benefits.

Brokerage for Client Referrals

Our firm does not receive brokerage for client referrals.

Directed Brokerage

Our firm maintains a limited discretionary authority in making the determination of the brokers with whom orders for the purchase or sale of securities are placed for execution, and the commission rates at which such securities transactions are affected. Specifically, we may execute bond trades with 280 Securities where we determine the quality of execution to be in the client's best interest. Outside of that we routinely recommend that a client directs us to execute through a specified broker-dealer. Our firm recommends the use of our custodians. Each client will be required to establish their account(s) with our custodians if not already done. Please note that not all advisers have this requirement.

Permissibility of Client-Directed Brokerage

We allow clients to direct brokerage outside our recommendation. We may be unable to achieve the most favorable execution of client transactions. Client directed brokerage may cost clients more money. For example, in a directed brokerage account, you may pay higher brokerage commissions because we may not be able to aggregate orders to reduce transaction costs, or you may receive less favorable prices.

Special Considerations for ERISA Clients

A retirement or ERISA plan client may direct all or part of portfolio transactions for its account through a specific broker or dealer in order to obtain goods or services on behalf of the plan. Such direction is permitted provided that the goods and services provided are reasonable expenses of the plan incurred in the ordinary course of its business for which it otherwise would be obligated and empowered to pay. ERISA prohibits directed brokerage arrangements when the goods or services purchased are not for the exclusive benefit of the plan. Consequently, we will request that plan sponsors who direct plan brokerage provide us with a letter documenting that this arrangement will be for the exclusive benefit of the plan.

Aggregation of Purchase or Sale

We perform investment management services for various clients. There are occasions on which portfolio transactions may be executed as part of concurrent authorizations to purchase or sell the same security for numerous accounts served by our firm, which involve accounts with similar investment objectives. Although such concurrent authorizations potentially could be either advantageous or disadvantageous to any one or more particular accounts, they are affected only when we believe that to do so will be in the best interest of the effected accounts. When such concurrent authorizations occur, the objective is to allocate the executions in a manner which is deemed equitable to the accounts involved. In any given situation, we attempt to allocate trade executions in the most equitable manner possible, taking into consideration client objectives, current asset allocation and availability of funds using price averaging, proration and consistently non-arbitrary methods of allocation.

Item 13: Review of Accounts or Financial Plans

We review accounts on at least an annual basis for clients subscribing to our Asset Management service. The nature of these reviews is to learn whether clients' accounts are in line with their investment objectives, appropriately positioned based on market conditions, and investment policies, if applicable. We review SEI account performance on at least an annual basis during which the manager's performance as it pertains to the client is evaluated and to confirm that the account continues to meet the client's investment objectives and income needs. Only our Financial Advisors or Portfolio Managers will conduct reviews. We may review client accounts more frequently than described above. Among the factors which may trigger an off-cycle review are major market or economic events, the client's life events, requests by the client, etc. We do not provide written reports to clients, unless asked to do so. Verbal reports to clients take place on at least an annual basis when we contact clients who subscribe to this service.

Retirement Plan Consulting clients receive reviews of their pension plans for the duration of the Retirement Plan Consulting service. We also provide ongoing services to Retirement Plan Consulting clients where we meet with such clients upon their request to discuss updates to their plans, changes

in their circumstances, etc. Retirement Plan Consulting clients do not receive written or verbal updated reports regarding their pension plans unless they choose to contract with us for ongoing Retirement Plan Consulting services.

Financial Planning clients will receive reviews of their written plans for the duration of the engagement. Financial Planning clients who engage us on an annual financial planning basis may receive written or verbal updated reports regarding their financial plans.

Item 14: Client Referrals & Other Compensation

Schwab

Our firm receives economic benefit from Schwab in the form of the support products and services made available to our firm and other independent investment advisors that have their clients maintain accounts at Schwab. These products and services, how they benefit our firm, and the related conflicts of interest are described above (*see Item 12 – Brokerage Practices*). The availability of Schwab's products and services is not based on our firm giving particular investment advice, such as buying particular securities for our clients.

TD Ameritrade

As disclosed under Item 12 of this Brochure, we participate in TD Ameritrade's institutional customer program and we may recommend TD Ameritrade to Clients for custody and brokerage services. There is no direct link between our firm's participation in the program and the investment advice we give to our Clients, although we receive economic benefits through our participation in the program that are typically not available to TD Ameritrade retail investors. These benefits include the following products and services (provided without cost or at a discount): receipt of duplicate Client statements and confirmations; research related products and tools; consulting services; access to a trading desk serving our firm's participants; access to block trading (which provides the ability to aggregate securities transactions for execution and then allocate the appropriate shares to Client accounts); the ability to have advisory fees deducted directly from Client accounts; access to an electronic communications network for Client order entry and account information; access to mutual funds with no transaction fees and to certain institutional money managers; and discounts on compliance, marketing, research, technology, and practice management products or services provided to us by third party vendors. TD Ameritrade may also have paid for business consulting and professional services received by our firm's related persons. Some of the products and services made available by TD Ameritrade through the program may benefit our firm but may not benefit our Client accounts. These products or services may assist us in managing and administering Client accounts, including accounts not maintained at TD Ameritrade. Other services made available by TD Ameritrade are intended to help us manage and further develop our business enterprise. The benefits received by our firm or our personnel through participation in the program do not depend on the amount of brokerage transactions directed to TD Ameritrade. As part of our fiduciary duties to our clients, we endeavor at all times to put the interests of our clients first. Clients should be aware, however, that the receipt of economic benefits by our firm or our related persons in and of itself creates a potential conflict of interest and may indirectly influence our firm's choice of TD Ameritrade for custody and brokerage services.

Referral Fees

Our firm pays referral fees (non-commission based) to independent solicitors (non-registered representatives) for the referral of their clients to our firm in accordance with Rule 206 (4)-3 of the Investment Advisers Act of 1940. Such referral fee represents a share of our investment advisory fee charged to our clients. This arrangement will not result in higher costs to the referred client. In this regard, our firm maintains Solicitors Agreements in compliance with Rule 206 (4)-3 of the Investment Advisers Act of 1940 and applicable state and federal laws. All clients referred by Solicitors to our firm will be given full written disclosure describing the terms and fee arrangements between our firm and Solicitor(s). In cases where state law requires licensure of solicitors, our firm ensures that no solicitation fees are paid unless the solicitor is registered as an investment adviser representative of our firm. If our firm is paying solicitation fees to another registered investment adviser, the licensure of individuals is the other firm's responsibility.

Item 15: Custody

While our firm does not maintain physical custody of client assets (which are maintained by a qualified custodian, as discussed above), we are deemed to have custody of certain client assets if given the authority to withdraw assets from client accounts, as further described below under "Third Party Money Movement." All our clients receive account statements directly from their qualified custodian(s) at least quarterly upon opening of an account. We urge our clients to carefully review these statements. Additionally, if our firm decides to send its own account statements to clients, such statements will include a legend that recommends the client compare the account statements received from the qualified custodian with those received from our firm. Clients are encouraged to raise any questions with us about the custody, safety or security of their assets and our custodial recommendations.

Third Party Money Movement

The SEC issued a no-action letter ("Letter") with respect to the Rule 206(4)-2 ("Custody Rule") under the Investment Advisers Act of 1940 ("Advisers Act"). The letter provided guidance on the Custody Rule as well as clarified that an adviser who has the power to disburse client funds to a third party under a standing letter of instruction ("SLOA") is deemed to have custody. As such, our firm has adopted the following safeguards in conjunction with our custodian:

- The client provides an instruction to the qualified custodian, in writing, that includes the client's signature, the third party's name, and either the third party's address or the third party's account number at a custodian to which the transfer should be directed.
- The client authorizes the investment adviser, in writing, either on the qualified custodian's form or separately, to direct transfers to the third party either on a specified schedule or from time to time.
- The client's qualified custodian performs appropriate verification of the instruction, such as a signature review or other method to verify the client's authorization, and provides a transfer of funds notice to the client promptly after each transfer.
- The client has the ability to terminate or change the instruction to the client's qualified custodian.
- The investment adviser has no authority or ability to designate or change the identity of the third party, the address, or any other information about the third party contained in the client's instruction.

- The investment adviser maintains records showing that the third party is not a related party of the investment adviser or located at the same address as the investment adviser.
- The client's qualified custodian sends the client, in writing, an initial notice confirming the instruction and an annual notice reconfirming the instruction.

Item 16: Investment Discretion

Asset Management clients have the option of providing our firm with investment discretion on their behalf, pursuant to an executed investment advisory client agreement. Wrap Portfolio Management clients are required to grant our firm discretionary authority. By granting investment discretion, we are authorized to execute securities transactions, which securities are bought and sold, and the total amount to be bought and sold. Limitations may be imposed by the client in the form of specific constraints on any of these areas of discretion with our firm's written acknowledgement.

Item 17: Voting Client Securities

We do not accept proxy authority to vote client securities. Clients will receive proxies or other solicitations directly from their custodian or a transfer agent. In the event that proxies are sent to our firm, we will forward them on to you and ask the party who sent them to mail them directly to you in the future. Clients may call, write or email us to discuss questions they may have about particular proxy votes or other solicitations.

Item 18: Financial Information

We are not required to provide financial information in this Brochure because:

- We do not require the prepayment of more than \$1,200 in fees and six or more months in advance.
- We do not take custody of client funds or securities.
- We do not have a financial condition or commitment that impairs our ability to meet contractual and fiduciary obligations to clients.

We have never been the subject of a bankruptcy proceeding.

Granite Wrap Program

Chief Compliance Officer

This wrap fee program brochure provides information about the qualifications and business practices of Granite Harbor Advisors, Inc. If you have any questions about the contents of this brochure, please contact us by telephone at (832) 461-0789 or email at info@graniteharbor.com. The information in this brochure has not been approved or verified by the United States Securities and Exchange Commission or by any State Securities Authority.

Additional information about Granite Harbor Advisors, Inc. also is available on the SEC's website at www.adviserinfo.sec.gov by searching CRD# 179523.

Please note that the use of the term "registered investment adviser" and description of Granite Harbor Advisors, Inc. and/or our associates as "registered" does not imply a certain level of skill or training. You are encouraged to review this Brochure and Brochure Supplements for our firm's associates who advise you for more information on the qualifications of our firm and our employees.

Item 2: Material Changes

Granite Harbor Advisors, Inc. is required to advise you of any material changes to the Wrap Brochure ("Wrap Brochure") from our last annual update.

Since our last Annual Amendment filing, our firm has the following material changes to disclose:

- We have added the ability to compensate solicitors for the referral of clients to our firm.
- We have added risk disclosure language pertaining to our use of margin and options in client portfolios.
- We have added Charles Schwab & Co. Inc disclosure language pertaining to our use of Schwab as a recommended custodian in addition to TD Ameritrade.

Item 4: Services, Fees & Compensation

We offer wrap fee programs as described in this Wrap Fee Program Brochure. Our wrap fee accounts are managed on an individualized basis according to the client's investment objectives, financial goals, risk tolerance, etc.

A wrap fee program allows our clients to pay a specified fee for investment advisory services and the execution of transactions. The advisory services may include portfolio management, and the fee is not based directly upon transactions in your account. Your fee is bundled with our costs for executing transactions in your account(s). This results in a higher advisory fee to you. We do not charge our clients higher advisory fees based on their trading activity, but you should be aware that we may have an incentive to limit our trading activities in your account(s) because we are charged for executed trades. By participating in a wrap fee program, you may end up paying more or less than you would through a non-wrap fee program where a lower advisory fee is charged, but trade execution costs are passed directly through to you by the executing broker.

The benefits under a wrap fee program depend, in part, upon the size of the account, the costs associated with managing the account, and the frequency or type of securities transactions executed in the account. For example, a wrap fee program may not be suitable for all accounts, including but not limited to accounts holding primarily, and for any substantial period of time, cash or cash equivalent investments, fixed income securities or no-transaction-fee mutual funds, or any other type of security that can be traded without commissions or other transaction fees.

In order to evaluate whether a wrap [or bundled] fee arrangement is appropriate for you, you should compare the agreed-upon Wrap Program Fee and any other costs associated with participating in our Wrap Fee Program with the amounts that would be charged by other advisers, broker-dealers, and custodians, for advisory fees, brokerage and execution costs, and custodial services comparable to those provided under the Wrap Fee Program.

In addition to the advisory services, the wrap fee program includes certain brokerage services of Charles Schwab & Co., Inc. ("Schwab") a broker-dealer registered with the Securities and Exchange Commission and a member of FINRA and SIPC. We are independently owned and operated and not affiliated with Schwab. Schwab will act solely as a broker-dealer and not as an investment advisor to you. It will have no discretion over your account and will act solely on instructions it receives from us [or you]. Schwab has no responsibility for our services and undertakes no duty to you to monitor our firm's management of your account or other services we provide to you. Schwab will hold your assets in a brokerage account and buy and sell securities and execute other transactions when we [or you] instruct them to. We do not open the account for you.

TD Ameritrade and Schwab do not charge transaction fees for U.S. listed equities and exchange traded funds. Since we pay the transaction fees charged by the custodian to clients participating in our wrap fee program, this presents a conflict of interest because we are incentivized to recommend equities and exchange traded funds over other types of securities in order to reduce our costs. To mitigate this conflict our firm upholds our fiduciary duty in selecting the appropriate asset for a given portfolio and the cost to trade that asset is not taken into account when determining that appropriateness.

Our Wrap Advisory Services

Wrap Portfolio Management:

We emphasize continuous and regular account supervision. As part of this service, we generally create a portfolio, consisting of individual stocks or bonds, exchange traded funds (“ETFs”), mutual funds and other public and private securities or investments. The client’s individual investment strategy is tailored to their specific needs and may include some or all of the previously mentioned securities. Each portfolio will be initially designed to meet a particular investment goal, which we determine to be suitable to the client’s circumstances. Once the appropriate portfolio has been determined, we review the portfolio at least annually and if necessary, rebalance the portfolio based upon the client’s individual needs, stated goals, and objectives. Each client has the opportunity to place reasonable restrictions on the types of investments to be held in the portfolio.

Our firm utilizes the sub-advisory services of SEI Investments Company (“SEI”) for portfolio diversification and access to additional asset classes. As part of this process, we will provide initial due diligence on the programs available, gather information from clients about their financial situation, investment objectives, and restrictions, and deliver the required account paperwork and disclosure documents if the client selects a program. Prior to referring clients to SEI, we will ensure that they are licensed or notice filed with the respective authorities.

Our firm also offers variable annuity management for certain annuities which are sold on a fee-only basis. These arrangements are custodied direct with the sponsor and the terms and conditions will be set forth in a separate agreement entered into by the client with the sponsor. The fees for these offerings vary but will never exceed the fees disclosed for our Asset Management service.

The maximum fee for our Wrap Portfolio Management service is 1.75% of the assets under management in each household which may also be a flat dollar amount not to exceed 1.75% of assets under management. Our firm’s annualized fees are generally billed on a pro-rata basis monthly or quarterly in arrears based on an average daily balance of the account(s) value during the billing period. Our advisory fee will be assessed on cash and cash equivalents unless otherwise agreed to. The exact arrangements shall be indicated in the executed client agreement. It should be noted that our firm is not assessed transaction charges for either the sub-advised accounts or fee-based variable annuities, as these costs are built into the program/ product fees borne by the client.

The total estimated fee, as well as the ultimate fee that we charge you, is negotiable and will be based on the scope and complexity of our engagement with you. Fees will be automatically deducted from your account. As part of the fee deduction process, you are made aware of the following:

1. Clients must provide our firm with written authorization permitting direct payment of advisory fees from their account(s) maintained by a custodian who is independent of our firm;
2. Our firm provides clients with electronic access to quarterly performance reports showing the fee amount, the value of the assets upon which the fee was based, the specific manner in which the fee was calculated as well as a disclosure that it is the client’s responsibility to verify the accuracy of fee calculation, and that the custodian does not determine its accuracy; and
3. The account custodian sends a statement to the client, at least quarterly, showing all account disbursements, including advisory fees.

Fees for sub-advisory services rendered to our clients by SEI are billed on a pro-rata basis quarterly in arrears based on the average daily balance of the account(s) value during the billing period. Our firm calculates the quarterly fee due to us and instructs SEI the amount to deduct from your managed account. Our fee will be in addition to fees that are imposed by SEI for programs and managers they make available, which they deduct separately. SEI establishes and maintains their own separate billing processes, which we have no control of. The advisory fee paid to our firm shall not exceed the fee published for this service. The terms and conditions under which the client shall engage SEI will be set forth in a separate agreement between the client and SEI.

Other Types of Fees & Expenses:

You may pay custodial fees, charges imposed directly by a mutual fund, index fund, annuity or exchange traded fund which shall be disclosed in the fund's prospectus (i.e., fund management fees and other fund expenses), mark-ups and mark-downs, spreads paid to market makers, fees (such as a commission or markup) for trades executed away from Schwab at another broker-dealer, wire transfer fees and other fees and taxes on brokerage accounts and securities transactions. These fees are not included within the wrap-fee you are charged by our firm. It is important to note that our firm does not include the trading cost associated with unsolicited trades made by clients in our wrap-fee program. The client will be billed directly for these fees.

Our investment advisory representatives receive a portion of the advisory fee that you pay us, either directly as a percentage of your overall fee or as their salary from our firm. In cases where our investment advisory representatives are paid a percentage of your overall advisory fee, this may create an incentive to recommend that you participate in a wrap fee program rather than a non-wrap fee program (where you would pay for trade execution costs) or brokerage account where commissions are charged. This is because, in some cases, we may stand to earn more compensation from advisory fees paid to us through a wrap fee program arrangement if your account is not actively traded.

Item 5: Account Requirements & Types of Clients

We require a minimum household balance of \$100,000 for our Wrap Portfolio Management service. This minimum account balance requirement may be negotiable and would be required throughout the course of the client's relationship with our firm.

Our firm works with the following types of clients:

- Individuals and High Net-Worth Individuals;
- Trusts, Estates or Charitable Organizations;
- Corporations, Limited Liability Companies and/or Other Business Types.

Item 6: Portfolio Manager Selection & Evaluation

Selection of Portfolio Managers

Our firm utilizes our in-house portfolio managers as well as a selection of outside portfolio managers through SEI Investments Company ("SEI"). In-house accounts custodied at TD Ameritrade Institutional, a division of TD Ameritrade, Inc. ("TD Ameritrade") and Charles Schwab & Co. Inc. ("Schwab"), member FINRA/SIPC are managed by licensed investment adviser representatives ("IAR"s) of our firm. Prior to becoming licensed with our firm, each IARs industry experience,

licensure, outside business activities, client complaints (if any), disciplinary or regulatory history (if any) and financial well-being will be reviewed. Each IAR will then have a Form U4 and ADV Part 2B on file with our firm. SEI managers are selected based on past performance, investment philosophy, market outlook, experience of associated portfolio managers and executive team, disciplinary, legal and regulatory histories of the firm and its associates, and/or whether compliance procedures are in place to address at a minimum, insider trading, conflicts of interest, and/or anti-money laundering.

Performance returns of wrap portfolios are reviewed at least quarterly. The nature of these reviews is to learn whether client accounts are in line with their investment objectives and appropriately positioned based on market conditions. If these standards fall below the client objectives, our firm will discuss the review with the portfolio manager for proactive action to realign the investment strategy.

Advisory Business:

See Item 4 for information about our wrap fee advisory program. We offer individualized investment advice to clients utilizing our Wrap Portfolio Management service.

Each client has the opportunity to place reasonable restrictions on the types of investments to be held in the portfolio. Restrictions on investments in certain securities or types of securities may not be possible due to the level of difficulty this would entail in managing the account. Restrictions would be limited to our Wrap Portfolio Management service. We do not manage assets through our other services.

Performance-Based Fees & Side-By-Side Management:

We do not charge performance fees to our clients.

Methods of Analysis, Investment Strategies & Risk of Loss:

Representatives of our firm are given full discretion to manage client assets based upon information obtained from the client, including without limitation, a client's current financial status, investment objectives/goals, and risk tolerances. Our representatives will accordingly make recommendations based upon the information provided and may allocate a client's portfolio into any range of various investment products, such as mutual funds, stocks, bonds, exchange traded funds (EFT's) and others that are suitable based upon a client's individual needs. Representatives of our firm are charged with continuous monitoring of client portfolios to respond to a change in a client's investment objectives, risk tolerances or financial condition that may warrant a change in the strategy employed or recommendations made. Likewise, client accounts are periodically reviewed by our firm to ensure consistency of program strategies and performance with clients' stated objectives.

Our representatives may use several sources to gather information including by not limited to Financial Newspapers and Magazines, Research Materials prepared by others, Corporate rating services, Timing services Annual reports, prospectuses, filings with the SEC, Company press releases and other materials providing investment related information.

Our firm will make long term purchases (securities held at least a year), short term purchases (securities sold within a year), trading (securities sold within 30 days). Generally, there is more risk involved with shorter trading.

Strategies employed by our firm may include, but are not limited to: Conservative, Income, Growth & Income, Growth, and Aggressive. Investing in securities involves risk of loss that clients should be prepared to bear. Our firm does not represent or guarantee that its services and recommendations can or will predict future results, successfully identify market tops or bottoms, or insulate clients from losses due to market corrections or declines. Equity based mutual funds are subject to risks similar to those of stocks, including market risk, which is the risk that investment returns will fluctuate and are subject to market volatility, so that an investor's shares, when redeemed or sold, may be worth more or less than their original cost. International mutual funds are subject to fluctuations due to changes in a currency's exchange rate and political risk. Fixed-income mutual funds (bond funds) fluctuate with the bond market.

Fixed income risks include credit risk (the risk that a company or bond issuer may fail to pay principal and interest payments in a timely manner); interest rate risk (the risk that the market value of the bonds will go down when interest rates go up); and prepayment risk (the risk that a bond will be paid off early). Our firm cannot offer any guarantees or promises that a client's financial goals and objectives will be met. Past performance is in no way an indication of future performance.

Options: An option is a financial derivative that represents a contract sold by one party (the option writer) to another party (the option holder, or option buyer). The contract offers the buyer the right, but not the obligation, to buy or sell a security or other financial asset at an agreed-upon price (the strike price) during a certain period of time or on a specific date (exercise date). Options are extremely versatile securities. Traders use options to speculate, which is a relatively risky practice, while hedgers use options to reduce the risk of holding an asset. In terms of speculation, option buyers and writers have conflicting views regarding the outlook on the performance of a:

- *Call Option:* Call options give the option to buy at certain price, so the buyer would want the stock to go up. Conversely, the option writer needs to provide the underlying shares in the event that the stock's market price exceeds the strike due to the contractual obligation. An option writer who sells a call option believes that the underlying stock's price will drop relative to the option's strike price during the life of the option, as that is how he will reap maximum profit. This is exactly the opposite outlook of the option buyer. The buyer believes that the underlying stock will rise; if this happens, the buyer will be able to acquire the stock for a lower price and then sell it for a profit. However, if the underlying stock does not close above the strike price on the expiration date, the option buyer would lose the premium paid for the call option.
- *Put Option:* Put options give the option to sell at a certain price, so the buyer would want the stock to go down. The opposite is true for put option writers. For example, a put option buyer is bearish on the underlying stock and believes its market price will fall below the specified strike price on or before a specified date. On the other hand, an option writer who sells a put option believes the underlying stock's price will increase about a specified price on or before the expiration date. If the underlying stock's price closes above the specified strike price on the expiration date, the put option writer's maximum profit is achieved. Conversely, a put option holder would only benefit from a fall in the underlying stock's price below the strike price. If the underlying stock's price falls below the strike price, the put option writer is obligated to purchase shares of the underlying stock at the strike price.

The potential risks associated with these transactions are that (1) all options expire. The closer the option gets to expiration, the quicker the premium in the option deteriorates; and (2) Prices can move very quickly. Depending on factors such as time until expiration and the relationship of the stock

price to the option's strike price, small movements in a stock can translate into big movements in the underlying options.

Margin Loans: Our firm may allow or recommend that you to pledge securities from your portfolio as collateral for a loan by using margin in brokerage account. This allows you to own more stock than you would be able to with your available cash. Margin accounts and transactions are risky and not necessarily appropriate for every client.

The potential risks associated with these transactions are (1) You can lose more funds than are deposited into the margin account; (2) the forced sale of securities or other assets in your account; (3) the sale of securities or other assets without contacting you; (4) you may not be entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call; and (5) custodians charge interest on margin balances which will reduce your returns over time.

Voting Client Securities:

We do not and will not accept the proxy authority to vote client securities. Clients will receive proxies or other solicitations directly from their custodian or a transfer agent. In the event that proxies are sent to our firm, we will forward them on to you and ask the party who sent them to mail them directly to you in the future. Clients may call, write or email us to discuss questions they may have about particular proxy votes or other solicitations.

Item 7: Client Information Provided to Portfolio Manager(s)

Our firm communicates with your portfolio manager(s) on a regular basis as needed (daily, weekly, monthly, etc) to ensure your most current investment goals and objectives are understood by your portfolio manager(s). In most cases, we will communicate such information as part of our regular investment management duties. Nevertheless, we will also communicate information to your portfolio manager(s) when you ask us to, when market or economic conditions make it prudent to do so, etc.

Item 8: Client Contact with Portfolio Manager(s)

Clients are always free to directly contact our in-house IARs with any questions or concerns they have about their portfolios or other matters.

Item 9: Additional Information

Disciplinary Information

In December 2013, Brian Sak entered into an Acceptance, Waiver, and Consent with the Financial Industry Regulatory Authority for not disclosing an outside business activity to AXA Advisors, LLC, Sak's employing firm at the time of the disclosure. Without admitting or denying the findings, Sak consented to the described sanction and to the entry of findings. Therefore, he was fined \$5,000 and was suspended from association with any FINRA Member in any capacity for 30 days. The suspension was in effect from January 6, 2014 through February 4, 2014.

Financial Industry Activities & Affiliations

Representatives of our firm are licensed insurance agents/brokers. They may offer products and receive normal and customary commissions as a result of these transactions. A conflict of interest may arise as these commissionable insurance sales may create an incentive to recommend products based on the compensation they may earn. To mitigate this potential conflict of interest, our firm's representatives will adhere to our firm's Code of Ethics and only offer suitable products that are in the best interests of the client. Additionally, clients are free to purchase insurance products from any insurance company and are not obligated to purchase these products through our firm's representatives.

Our firm also has an affiliation with Granite Harbor Group via ownership interests of some of our management personnel. While our representatives may offer these insurance services to clients of our firm, those clients are not obligated to purchase such products through our affiliated firm and are free to purchase these products from any insurance company.

Code of Ethics, Participation or Interest in Client Transactions & Personal Trading

We recognize that the personal investment transactions of members and employees of our firm demand the application of a high Code of Ethics and require that all such transactions be carried out in a way that does not endanger the interest of any client. At the same time, we believe that if investment goals are similar for clients and for members and employees of our firm, it is logical and even desirable that there be common ownership of some securities.

Therefore, in order to prevent conflicts of interest, we have in place a set of procedures (including a pre-clearing procedure) with respect to transactions effected by our members, officers and employees for their personal accounts¹. In order to monitor compliance with our personal trading policy, we have a quarterly securities transaction reporting system for all of our associates.

Furthermore, our firm has established a Code of Ethics which applies to all of our associated persons. An investment adviser is considered a fiduciary. As a fiduciary, it is an investment adviser's responsibility to provide fair and full disclosure of all material facts and to act solely in the best interest of each of our clients at all times. We have a fiduciary duty to all clients. Our fiduciary duty is considered the core underlying principle for our Code of Ethics which also includes Insider Trading and Personal Securities Transactions Policies and Procedures. We require all of our supervised persons to conduct business with the highest level of ethical standards and to comply with all federal and state securities laws at all times. Upon employment or affiliation and at least annually thereafter, all supervised persons will sign an acknowledgement that they have read, understand, and agree to comply with our Code of Ethics. Our firm and supervised persons must conduct business in an honest, ethical, and fair manner and avoid all circumstances that might negatively affect or appear to affect our duty of complete loyalty to all clients. This disclosure is provided to give all clients a summary of our Code of Ethics. However, if a client or a potential client wishes to review our Code of Ethics in its entirety, a copy will be provided promptly upon request.

¹ For purposes of the policy, our associate's personal account generally includes any account (a) in the name of our associate, his/her spouse, his/her minor children or other dependents residing in the same household, (b) for which our associate is a trustee or executor, or (c) which our associate controls, including our client accounts which our associate controls and/or a member of his/her household has a direct or indirect beneficial interest in.

Review of Accounts

We review accounts on at least an annual basis for clients subscribing to our Wrap Portfolio Management service. The nature of these reviews is to learn whether clients' accounts are in line with their investment objectives, appropriately positioned based on market conditions, and investment policies, if applicable. We review SEI account performance on at least an annual basis during which the manager's performance as it pertains to the client is evaluated and to confirm that the account continues to meet the client's investment objectives and income needs. Only our Financial Advisors or Portfolio Managers will conduct reviews. We may review client accounts more frequently than described above. Among the factors which may trigger an off-cycle review are major market or economic events, the client's life events, requests by the client, etc. We do not provide written reports to clients, unless asked to do so. Verbal reports to clients take place on at least an annual basis when we meet with clients who subscribe to this service.

Client Referrals & Other Compensation

Schwab

Our firm receives economic benefit from Schwab in the form of the support products and services made available to our firm and other independent investment advisors that have their clients maintain accounts at Schwab. These products and services, how they benefit our firm, and the related conflicts of interest are described in *Form ADV Part 2A, Item 12 – Brokerage Practices*. The availability of Schwab's products and services is not based on our firm giving particular investment advice, such as buying particular securities for our clients.

TD Ameritrade, Inc.

Our firm participates in the TD Ameritrade Institutional program. TD Ameritrade Institutional is a division of TD Ameritrade, Inc. ("TD Ameritrade") member FINRA/SIPC. TD Ameritrade is an independent and unaffiliated SEC-registered broker-dealer. TD Ameritrade offers to independent investment Advisors services which include custody of securities, trade execution, clearance and settlement of transactions. Advisor receives some benefits from TD Ameritrade through its participation in the program. There is no direct link between our firm's participation in the program and the investment advice we give to our Clients, although we receive economic benefits through our participation in the program that are typically not available to TD Ameritrade retail investors. These benefits include the following products and services (provided without cost or at a discount): receipt of duplicate Client statements and confirmations; research related products and tools; consulting services; access to a trading desk serving our firm's participants; access to block trading (which provides the ability to aggregate securities transactions for execution and then allocate the appropriate shares to Client accounts); the ability to have advisory fees deducted directly from Client accounts; access to an electronic communications network for Client order entry and account information; access to mutual funds with no transaction fees and to certain institutional money managers; and discounts on compliance, marketing, research, technology, and practice management products or services provided to us by third party vendors. TD Ameritrade may also have paid for business consulting and professional services received by our firm's related persons. Some of the products and services made available by TD Ameritrade through the program may benefit our firm but may not benefit our Client accounts. These products or services may assist us in managing and administering Client accounts, including accounts not maintained at TD Ameritrade. Other services made available by TD Ameritrade are intended to help us manage and further develop our business enterprise. The benefits received by our firm or our personnel through participation in the program do not depend on the amount of brokerage transactions

directed to TD Ameritrade. As part of our fiduciary duties to our clients, we endeavor at all times to put the interests of our clients first. Clients should be aware, however, that the receipt of economic benefits by our firm or our related persons in and of itself creates a potential conflict of interest and may indirectly influence our firm's choice of TD Ameritrade for custody and brokerage services.

Our firm pays referral fees (non-commission based) to independent solicitors (non-registered representatives) for the referral of their clients to our firm in accordance with Rule 206 (4)-3 of the Investment Advisers Act of 1940. Such referral fee represents a share of our investment advisory fee charged to our clients. This arrangement will not result in higher costs to the referred client. In this regard, our firm maintains Solicitors Agreements in compliance with Rule 206 (4)-3 of the Investment Advisers Act of 1940 and applicable state and federal laws. All clients referred by Solicitors to our firm will be given full written disclosure describing the terms and fee arrangements between our firm and Solicitor(s). In cases where state law requires licensure of solicitors, our firm ensures that no solicitation fees are paid unless the solicitor is registered as an investment adviser representative of our firm. If our firm is paying solicitation fees to another registered investment adviser, the licensure of individuals is the other firm's responsibility.

Financial Information

We are not required to provide financial information in this Brochure because:

- We do not require the prepayment of more than \$1,200 in fees and six or more months in advance.
- We do not take custody of client funds or securities.
- We do not have a financial condition or commitment that impairs our ability to meet contractual and fiduciary obligations to clients.

We have never been the subject of a bankruptcy proceeding.

CERTIFIED FINANCIAL PLANNER, CFP®

The CFP® certification is obtained by completing an advanced college-level course of study addressing the financial planning subject areas that the CFP® Board's studies have determined as necessary for the competent and professional delivery of financial planning services, a comprehensive certification exam and agreeing to be bound by the CFP® board's standard of professional conduct. As a prerequisite, the individual must have a Bachelor's degree from a regionally accredited United States college or university (or foreign university equivalent) and have at least 3 years of full time financial planning experience (or equivalent measured at 2,000 hours per year). This designation requires 30 hours of continuing education every 2 years and renewing an agreement to be bound by the *Standards of Professional Conduct*.

Chartered Financial Analyst (CFA®)

The CFA® charter is a globally respected, graduate-level investment credential established in 1962 and awarded by CFA® Institute — the largest global association of investment professionals. To earn the CFA® charter, candidates must: 1) pass three sequential, six-hour examinations; 2) have at least four years of qualified professional investment experience; 3) join CFA® Institute as members; and 4) commit to abide by, and annually reaffirm, their adherence to the CFA® Institute Code of Ethics and Standards of Professional Conduct. The

CFA® Program curriculum is updated every year by experts from around the world to ensure that candidates learn the most relevant and practical new tools, ideas, and investment and wealth management skills to reflect the dynamic and complex nature of the profession. To learn more about the CFA® charter, visit www.CFAinstitute.org.

Item 3: Disciplinary Information

There are no legal or disciplinary events material to the evaluation of Mr. Brown.

Item 4: Other Business Activities

Mr. Brown is a licensed insurance agent. He may offer products and receive normal and customary commissions as a result of these transactions through our affiliate Granite Harbor Group of which Mr. Brown is a partial owner. A conflict of interest may arise as these commissionable sales may create an incentive to recommend products based on the compensation he may earn. In order to mitigate this conflict of interest, Mr. Brown will recommend products based solely on the client's best interests. Additionally, clients are free to purchase insurance products from any insurance company and are not obligated to purchase these products through Mr. Brown.

Item 5: Additional Compensation

Mr. Brown does not receive any other economic benefit for providing advisory services in addition to advisory fees.

Item 6: Supervision

Timothy B. Smith, President of Granite Harbor Advisors, Inc., supervises and monitors Mr. Brown's activities on a regular basis to ensure compliance with our firm's Code of Ethics. Please contact Mr. Brown if you have any questions about Mr. Brown's brochure supplement at (832) 461-0789.

CFP® - CERTIFIED FINANCIAL PLANNER™:

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP marks are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its high standard of professional education, stringent code of conduct and standards of practice and ethical requirements that govern professional engagements with clients. To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements: Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university, pass the comprehensive CFP® Certification Examination, Complete at least three years of full-time financial planning-related experience and agree to be bound by CFP Board’s *Standards of Professional Conduct*.

Individuals who become certified must complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial industry and renew

an agreement to be bound by the *Standards of Professional Conduct*. The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

ChFC® - Chartered Financial Consultant:

Mr. Sak has the Chartered Financial Consultant professional designation. The ChFC® is offered by The American College. To receive the ChFC® designation, you must successfully complete all courses in your selected program, meet experience requirements and ethics standards, and agree to comply with The American College Code of Ethics and Procedures.

Three years of full-time business experience is required for all Huebner School designations. The following activities meet the required business experience qualifications included in the ChFC® certification process.

Insurance & Health Care:

- Field underwriting and management, including sales and service activities, supervision and management of persons involved in sales or services, or staff support of persons in these activities.
- Company management and operations in positions involving substantial responsibility.
- Financial services and employee benefits
- Client service and related management, including direct contact with clients, supervision and management of persons involved directly in the process of providing financial services or employee benefits, or staff support of persons in these activities.
- Financial institution management and operations in positions involving substantial responsibility.

Other:

- University or college teaching of subjects related to the Huebner School curriculum on a full-time basis at an accredited institution of higher education.
- Government regulatory service in a responsible administrative, supervisory, or operational capacity.
- Activities directly or indirectly related to the protection, accumulation, conservation, or distribution of the economic value of human life; these include the work of actuaries, attorneys, CPAs, investment advisers, real estate investment advisers, stockbrokers, trust officers, or persons in other similar occupations.

CLU® - Chartered Life Underwriter:

The CLU® is offered by The American College. To receive the CLU® designation, you must successfully complete all courses in your selected program, meet experience requirements and ethics standards, and agree to comply with The American College Code of Ethics and Procedures. The Chartered Life Underwriter (CLU®) designation is obtained by completing 8 core, 3 elective courses and a final exam for each course. As a prerequisite the IAR must have 3 years of full time business experience within the 5 years preceding the awarding of the designation. This designation requires 30 hours of continuing education every 2 years.

Item 3: Disciplinary Information

In December 2013, Mr. Sak entered into an Acceptance, Waiver, and Consent with the Financial Industry Regulatory Authority for not disclosing an outside business activity to AXA Advisors, LLC, Mr. Sak's employing firm at the time of the disclosure. Without admitting or denying the findings, Mr. Sak consented to the described sanction and to the entry of findings. Therefore, he was fined \$5,000 and was suspended from association with any FINRA Member in any capacity for 30 days. The suspension was in effect from January 6, 2014 through February 4, 2014.

Item 4: Other Business Activities

Mr. Sak is a licensed insurance agent. He may offer products and receive normal and customary commissions as a result of these transactions through our affiliate Granite Harbor Group of which Mr. Sak is a partial owner. A conflict of interest may arise as these commissionable sales may create an incentive to recommend products based on the compensation he may earn. In order to mitigate this conflict of interest, Mr. Sak will recommend products based solely on the client's best interests. Additionally, clients are free to purchase insurance products from any insurance company and are not obligated to purchase these products through Mr. Sak.

Mr. Sak is also an associate of Cavalier Associates, an entity that processes distributions from his fixed insurance business. It has been determined that this outside business activity does not present any additional conflicts of interest not already covered above.

Item 5: Additional Compensation

Mr. Sak does not receive any other economic benefit for providing advisory services in addition to advisory fees.

Item 6: Supervision

Nicholas M. Brown, Chief Compliance Officer of Granite Harbor Advisors, Inc., supervises and monitors Mr. Sak's activities on a regular basis to ensure compliance with our firm's Code of Ethics. Please contact Mr. Brown if you have any questions about Mr. Sak's brochure supplement at (832) 461-0789.

- 09/2008 – Series 7

Certified Public Accountant (CPA):

CPAs are licensed and regulated by their state boards of accountancy. Experience and testing requirements for licensure as a CPA generally include minimum college education, minimum experience levels, and successful passage of the Uniform CPA Examination. In order to maintain a CPA license, states generally require the completion of continuing professional education. Additionally, CPAs are required to follow a rigorous *Code of Professional Conduct* which requires that they act with integrity, objectivity, due care, competence, fully disclose any conflicts of interest (and obtain client consent if a conflict exists), maintain client confidentiality, disclose to the client any commission or referral fees, and serve the public interest when providing financial services.

Item 3: Disciplinary Information

There are no legal or disciplinary events material to the evaluation of Mr. Shaw.

Item 4: Other Business Activities

Mr. Shaw is the owner of Brazos Property Solutions, LLC, a real estate purchase and resell business. He spends approximately 15 hours per month on this non-investment related activity.

Item 5: Additional Compensation

Mr. Shaw does not receive any other economic benefit for providing advisory services in addition to advisory fees.

Item 6: Supervision

Nicholas M. Brown, Chief Compliance Officer of Granite Harbor Advisors, Inc., supervises and monitors Mr. Shaw's activities on a regular basis to ensure compliance with our firm's Code of Ethics. **PRIVACY NOTICE REGARDING CLIENT PRIVACY
AS REQUIRED BY REGULATION S-P &
REGULATION S-AM**

Maintaining the trust and confidence of our clients is a high priority. That is why we want you to understand how we protect your privacy when we collect and use information about you, and the steps that we take to safeguard that information. This notice is provided to you on behalf of Granite Harbor Advisors, Inc.

Information We Collect: In connection with providing investment products, financial advice, or other services, we obtain non-public personal information about you, including:

- Information we receive from you on account applications, such as your address, date of birth, Social Security Number, occupation, financial goals, assets and income; and
- Information about your transactions with us, our affiliates, or other third parties.

Categories of Information We Disclose: We may only disclose information that we collect in accordance with this policy. Granite Harbor Advisors, Inc. does not sell customer lists and will not sell your name to telemarketers.

Categories of Parties to Whom We Disclose: We will not disclose information regarding you or your account at Granite Harbor Advisors, Inc., except under the following circumstances:

- To entities that perform services for us or function on our behalf, including financial service providers, such as a clearing broker-dealer, investment company, or insurance company, other advisers;
- To third parties who perform services or marketing, client resource management or other parties to help manage your account on our behalf;
- To your attorney, trustee or anyone else who represents you in a fiduciary capacity with your written permission;
- To our attorneys, accountants or auditors; and
- To government entities or other third parties in response to subpoenas or other legal process as required by law or to comply with regulatory inquiries.

How We Use Information: Information may be used among companies that perform support services for us, such as data processors, client relationship management technology, technical systems consultants and programmers, or companies that help us market products and services to you for a number of purposes, such as:

- **To protect your accounts/non-public information** from unauthorized access or identity theft;
- **To process your requests** such as securities purchases and sales;
- **To establish or maintain an account with an unaffiliated third party**, such as a clearing broker-dealer providing services to you and/or Granite Harbor Advisors, Inc.;

- **To service your accounts**, such as by issuing checks and account statements;
- **To comply** with Federal, State, and Self-Regulatory Organization requirements;
- **To keep you informed** about financial services of interest to you.

Regulation S-AM: Under Regulation S-AM, a registered investment adviser is prohibited from using eligibility information that it receives from an affiliate to make a marketing solicitation unless: (1) the potential marketing use of that information has been clearly, conspicuously and concisely disclosed to the consumer; (2) the consumer has been provided a reasonable opportunity and a simple method to opt out of receiving the marketing solicitations; and (3) the consumer has not opted out.

Your Right to Opt Out: Federal privacy laws give you the right to restrict some sharing of your personal financial information. These laws balance your right to privacy with Granite Harbor Advisors, Inc.'s need to provide information for normal business purposes. You have the right to opt out of some information sharing with companies that are (1) Part of the same corporate group as your financial company (or affiliates); or (2) Not part of the same corporate group as your financial company (or non-affiliates). Choosing to restrict the sharing of our personal financial information will not apply to (1) Information about you to firms that help promote and market the company's own products or products offered under a joint agreement between two financial companies; (2) Records of your transactions--such as your loan payments, credit card or debit card purchases, and checking and savings account statements--to firms that provide data processing and mailing services for your company; (3) Information about you in response to a court order; and (4) Your payment history on loans and credit cards to credit bureaus. If you opt out, you limit the extent to which Granite Harbor Advisors, Inc. can provide your personal financial information to non-affiliates. You can opt out by contacting Granite Harbor Advisors directly.

Our Security Policy: We restrict access to nonpublic personal information about you to those individuals who need to know that information to provide products or services to you and perform their respective duties. We maintain physical, electronic, and procedural security measures to safeguard confidential client information.

Closed or Inactive Accounts: If you decide to close your account(s) or become an inactive customer, our Privacy Policy will continue to apply to you.

Complaint Notification: Please direct complaints to: Nicholas Brown, Chief Compliance Officer of Granite Harbor Advisors, Inc., 7850 North Sam Houston Parkway West, Suite 270, Houston, Texas 77064; (832) 461-0789.

Changes to This Privacy Policy: If we make any substantial changes in the way we use or disseminate confidential information, we will notify you. If you have any questions concerning this Privacy Policy, please contact us by telephone at (832) 461-0789 or email at info@graniteharbor.com.
